ser Fred A. Fiannigan has arranged a brilliant program of open-handlesp, novice and championship events.

Seventeen individual events are carded, which will attract the cream of the cinder-path artists in this section, while relay races will be the feature of the meet, and will bring together some of the best of the club, college and school relay teams in the South. Two races will be held for which will be at 50 and 600 yards, respec

tively. These novice events always bring out a large field and furnish the fans some excitement. The South Atlantic intercollegiate championship events, whi have been awarded Georgetown, are the 880-yard run, the 50-yard hurdle, the 30-yard dash, the running high jump and putting the 16-pound shot. Three special races are also carde

which include a 50-yard invitation dash from scratch, which should bring out all the college sprint artists, while the schoolboy's will be entertained with a 50yard handicap dash and a 480-yard handiap dash. Seven open-handicap events will furnish

plenty of competition among the club college and schoolboy athletes. These open events include a 50-yard dash and 50-yard hurdië, quarter-mile dash, half-mile run, one-mile run, pole vault and running high Jump. Only one individual point trophy has been offered for the events this season and will be awarded the team scoring the most places in the open races. One of the features of the meet will

be the reserving of one section of the stand for the athletes, and it will keep the runners, coaches and trainers off the floor after they have finished the events which they are competing.
